

ADOBE PHOTOSHOP CS4

3 Month Graphic Design Course

Description

This course includes Essentials and Advanced training on Adobe Photoshop, Flash & Dreamweaver at our London Adobe authorised training centre. This is an opportunity to develop your design and technical skills by working on live projects and gain 3 months experience within a central London architectural practice. The software training may vary depending on the type of course taken, which could be Design, Design & Technical or Technical.

Prerequisites

Although not essential, Candidates are expected to have an understanding of Drafting or design principles. Microsoft® Windows® Vista, Microsoft® Windows® XP, or Microsoft® Windows® 2000.

Class Information

Duration 3 months

Objective

The aim of this course is for candidates to develop their design and technical skills by using Adobe Photoshop, Flash & Dreamweaver within a well-established London based architectural practice. This parallel work experience and official Adobe training at our on-site training centre will mean that the candidate will be well placed for future career prospects in the design industry.

You will also become a certified Adobe Certified Expert (ACE) at the end of the course, which gives you Enhanced Skills and Recognition;

An Electronic Certificate; An Adobe Certification Logo and a Listing on Adobe in the ACE Database.

Course Outline

The courses start on the last and first week of each month, starting with official Adobe training on the software of your choice.

Training Schedule:

3-Month Skills Development & Work Experience course –

The courses typically commence on the first Monday of every month.

Adobe Photoshop, Flash & Dreamweaver –

Training in Essentials, Advanced and Exam. This is supported by relevant work experience in a London based architectural practice using each Adobe application.

Price Matrix

3 months Skills Development & Work Experience course = £6000 + VAT.

Should you obtain full or part time employment from the Architectural practice in which you are placed to undertake your Design and/ or Technical work experience and training, a fee will be payable by that practice to the our training centre.

Post-Training support

All delegates are eligible to email support for up to 60 days from Sprunt Media.
