

ADOBE PHOTOSHOP CS4

Photoshop CS4 Advanced

Description

The course is for more advanced users of Photoshop, advised for people who did the Introduction Photoshop Essentials Course.

Some experience with Photoshop is needed. You are going to explore more advanced features of Photoshop and use them in action.

Prerequisites Some experience with Photoshop is required, along with a basic understanding of computer operations.

Class Information

Duration 2 days

Objective The primary objective of this Photoshop CS4 Advanced training course is to build on the basic core skills learnt, exploring Photoshop's more advanced features and the workflow required to maximise its capacity.

Who Should Attend Delegates who did the Photoshop Essentials Course.
